

Charfield Village Plan 2011—2021

CHARFIELD

Village Plans are important - As part of the national government strategy, & promoted & supported by South Gloucestershire Council & Charfield Parish Council, an independent Steering Group has now been formed to facilitate the process of creating

The Charfield Village Plan

A document that expresses the wishes of the residents for the village, creating an action plan for a number of years to come....

Age 5—105 In coming weeks & months everyone can get involved & have their say on ideas or issues that are important. Look out for events, leaflets, etc & make sure you have your say.

- **WHAT WILL BE HAPPENING?** The process is expected to take around 18 months & is divided into phases as follows:-
- **PHASE 1:** Gives all Charfield residents opportunities to list their ideas & issues for the future of our village
- **PHASE 2:** Using a Survey—gather reactions to the ideas & issues raised in order to measure local feeling & priorities
- **PHASE 3:** From analysis of the survey, formulate KEY ideas & issues that are important to residents of Charfield & encapsulate them within **The Charfield Village Plan**
- **PHASE 4:** Publish **The Charfield Village Plan** & win the support of District & Parish Councils & other official bodies—in understanding the thoughts of the residents.
